**OFFENSE:**

**Location:** 222 Saks Ave., Jackson, Mississippi

**Date:** April 2, 2018                      **Time:** 12:30 a.m.

### Narrative:

On April 2, 2018 at 2:00 p.m. I arrived at 222 Saks Ave, Jackson, MS. I approached the front of the home and knocked on the door. The door was answered by a Caucasian male, approximately 25 years of age. I identified myself as Detective Sims, with the Metro police department, and that I was here to follow up on last night's break-in. I asked the male that answered the door if he was Mr. Marvin Smith. He stated that he was and that he was the owner of the home.

We entered the house. I followed Mr. Smith to the living room. Smith said that last night he and his wife were in bed asleep, something woke them up. Smith got up to see what it was. When he got to the living room he saw two boys in his house. They had lights and were taking stuff. One of the boys turned saw him and said "K get out the window now." Smith pointed to a window on the right hand side of a fire place and said that was the window the boys went out. He turned to another hallway entering the room on the left and stated that was where he was standing when he saw the boys and one of the boys saw him.

I went over to the window and observed fingerprints on the inside of the glass. I told Mr. Smith that I would like to take fingerprints. I retrieved my fingerprint kit from the car and lifted several prints from the glass on the inside of the window. I then went outside to look at the outside of the window and the area surrounding it. I lifted several more prints from the outside of the window. A shrub outside the window had several broken branches, but no footprints were visible near the window.

Mr. Smith stated that the following items were taken from his home:

- 1) 1 pair men's tennis shoes, Nike UltraForce 1, size 10
- 2) 1 Xbox One

- 3) Xbox One games: Forza Motorsport 7; Madden NFL 18; Minecraft; Gears of War 4; Halo: The Master Chief Collection; Doom; Sea of Thieves.
- 4) Apple Macbook Air, serial number 5598AXJ4899LW7

The interview with Mr. Smith was concluded.
